

Junior All Stars

Weekend fun for children.

This program offers social and play based activities for children with disability aged 5 to 12 years on the weekend.

This is a great way for children to spend time doing a range of fun activities in a safe and caring environment, while developing and growing socially.

Activity features

- Experienced and supportive staff
- Variety of indoor and outdoor activities
- Outdoor activities at child-friendly community based venues
- Social and life skills development

An intake process needs to be completed prior to booking in for this group.
